page PDF/A-1a conformance fixture

This document is generated by Typst as a deterministic, standards-targeted fixture. It exercises embedded text, document metadata, vector graphics, and colour-managed output.

0.1. Content

- Embedded Libertinus Serif text
- A PDF/A-1a identification declaration
- Matching document information and XMP metadata
- An RGB output intent supplied by Typst

Property	Expected value
PDF version	1.4
